Momentum Telecom Partners with TSX to Expand National Partner Network

Nationwide TSX Agents Gain Industry-Leading UCaaS Solutions with Momentum Telecom

BIRMINGHAM, Ala., March 06, 2018 (GLOBE NEWSWIRE) -- [Momentum Telecom](#), a premier provider of [Unified Communications solutions](#) for medium and large enterprises has partnered with TSX to offer Momentum Telecom solutions to its large base of sub-agents. TSX is a growing consortium of telecommunications master agents located across the country.

“Our goal has been to add top tier providers in the telecommunications space that will enable our agents to offer comprehensive UCaaS solutions and Momentum fits that bill,” said Bill Patchett, CEO, P2 telecom and Co-CEO, TSX. “We are excited for this partnership and look forward to the experience, reliability and innovation that Momentum brings to the table.”

Momentum has distinguished itself as an industry-leading Unified Communications service provider by providing on-site installation and training by experienced Momentum engineers, a rock solid network infrastructure and seamless application integrations.

“Momentum is thrilled to be partnering with TSX and their growing network of master agents,” said Chuck Piazza, EVP of Sales and Marketing at Momentum Telecom. “We can’t wait to make an impact in the channel with TSX and take advantage of the huge growth potential the industry offers.”
